NOW THEREFORE, in consideration of the need for the business community to have clear guidance on safety protocols and the continued welfare and safety of residents of Wake County, including, by the request and consent of their respective Mayors, the residents of Apex, Cary, Fuquay-Varina, Garner, Holly Springs, Knightdale, Morrisville, Raleigh, Rolesville, Wake Forest, Wendell and Zebulon; and, for the portions of the Towns of Angier, Clayton and the City of Durham incorporated within the borders of Wake

1. Section 1 (d) of the First Amendment to Proclamation is hereby repealed and replaced with the following:

- d) Employers shall arrange for basic health screenings at the beginning of every employee's shift, which shall include a:
 - i) Discussion about any shortness of breath, coughing, or sore throat; and
 - ii) Discussion about any respiratory issues.

Employers are strongly encouraged, to the extent they are able, to also take the temperature of each employee. If an employee is exhibiting any of the above listed symptoms or has a temperature above 100.4 degrees, the employer should provide the employee with a face mask and require them to leave the workplace. Any employee with COVID-19 symptoms should be encouraged to call their primary care provider or the local health department.

This Second Amendment to Proclamation dated April 17, 2020 supersedes only Section 1(d) of the First Amendment to Proclamation and to the extent not in conflict incorporates all prior declarations issued March 13, 2020, March 26, 2020, and April 15, 2020. This Second Amendment to Proclamation shall become effective on April 17, 2020 and shall continue until April 30, 2020 unless terminated, amended or rescinded earlier pursuant to N.C. Gen Stat. 166A-19.31(e).
